

Wins grand prize

Donald Blisken, 580 Bay Avenue, is shown being congratulated by R. A. Fraser, of The Kelowna Courier, after the former won the grand prize in the Courier's Scrambled Names Contest. Mr. Blisken won a floor model combination radio and phonograph, valued at \$250. Total of \$1,000 in prizes were given away during the six-week competition.

Kelowna hockey players will be given first chance says coach Alex Shibicky

Local hockey talent will be given every opportunity to make the 1954-55 edition of the Kelowna Packers.

This announcement was made by coach Alex Shibicky this morning at his first press conference. Shibicky, former coach of New Westminster Royals, arrived last night to complete plans for the hockey school which will open here next Thursday night.

The former member of the New York Rangers plans to use strict discipline insofar as training camp rules are concerned. "They must be prompt; no late hours, and drinking is definitely taboo," he declared.

Under the rules adopted by the Okanagan Senior Hockey League this year, only six imports will be permitted for each team. Among local boys trying out for this year's team will be Jim Middleton, Jim Hanson, Frank Hoskins, Ken Amundrud, Frank Kuly, Brian Roche, Joe Kaiser, Joe Connors, Don Cully, Mike Durban, Bob Leek, Bill McCully, Howie Amundrud, Jack Gibson, while Al Laface will be retained as spare goalie.

PLUG WEAK SPOTS
Shibicky, who coached Flin Flon to three championships before going to New Westminster to coach the Royals last year, was non-committal about what imports would be coming in.

"Let's see what local talent we have first," he said. "I believe your Kelowna boys should be given every opportunity to make good. Then, if we have any weak spots to plug, we'll look around and see what we can get."

But Shibicky did not seem worried over lack of top-calibre players. He's been in the hockey business ever since starting out as a youth of 19 at the New York Ranger hockey school in Winnipeg back in 1934.

The heavy-set, clean-cut mentor of the Packers, said he intends to adopt the same hockey principles he learned under Rangers' boss, Lester Patrick.

"There'll be no scrimmage play until they learn the fundamentals. And any player who does not like my system may as well pack his bags," he declared firmly.

SYSTEM PAID OFF
Shibicky said the "fundamental" system has paid off over the years. He has been coaching teams. "Lester Patrick had the right idea," he said, recalling the first year he attended a hockey school. "We just skated, and skated, and skated. Finally he allowed us to take a stick to our hands, and then we started the scrimmage play."

The Packers coach made it definite that no player will be dropped until the training camp is well underway and he has had an opportunity of seeing what the boys have got.

Alex hopes to have the team in shape in time for the first exhibition game against Victoria Cougars on September 24. He also intends to give all the assistance possible in developing minor hockey league players. One or two may be given an opportunity to try out for the Packers. Tentative arrangements are made for the juveniles to hold a practice session next Sunday.

NO FAVORITISM
Referring to Kelowna talent, Shibicky said... "There'll be no favoritism. Everyone will be given an even break to make the team. There's no reason for local players getting panicky through the Packers. We'll start them off earlier, and they'll be given a chance—before outside players are brought in."

"Those who do not learn the fundamentals of the game, or lack the ability to play, will be dropped as training camp progresses."

ALEX SHIBICKY

Civil defence sets up finger-printing booth

Kelowna's mayor J. J. Ladd will have a hard time escaping the long arm of the law. He's been fingerprinted!

Civil Defence organization set up a booth at the Junior Fall Fair and Home Show at the Kelowna and District Memorial Arena, and under the direction of Constable Russell Ivens, total of 100 people were "typed." Col. J. H. Horn, Okanagan Valley civil defense co-ordinator, watches the procedure, while in the background is CD provincial official Brigadier McCarter, Victoria. To the right, doing the necessary typing and registration is B.C. secretary, Mrs. Phyllis Cann, Victoria.

Finger-printing is a civil defence project. Police personnel and equipment will be used until CD trainees and equipment can take over. Finger-printing of every Canadian resident is planned.

Plans for special jubilee celebration marking city's 50th anniversary discussed

City Council received the "green light" Thursday night to proceed with plans for a special Jubilee celebration, marking the 50th anniversary of the incorporation of the City of Kelowna. The city was incorporated on May 4, 1905.

Representatives from 23 local organizations approved the plan to have the celebration comprise the Board of Trade, with Alderman Art Jackson as chairman of the sub-committee. J. Hudson volunteered to act as secretary.

Alderman Jackson, who presided at the meeting, explained that he with Alderman Maurice Melkie and Alderman Dick Parkinson would appoint a steering committee to work out details of the Jubilee program.

The mayor explained that the decision to use council as the main committee resulted from the fact that expenses will occur that can be best handled by the council directly.

JUBILEE THEME

Spokesmen of the various local organizations generally agreed that a special celebration should be held in May, with the Jubilee theme running through the various community events taking place during the rest of the year.

Suggestions put forth for consideration by the Jubilee committee included:

That the City Hall should be brightly illuminated, suggested by G. F. Dodge. In this connection C. G. Beeson pointed out that visitors arriving in Kelowna should be made aware that 1955 is a special year. Alderman Jackson repeated a suggestion that a permanent birthday cake, lighted by 50 candles would serve the purpose.

Alderman Dick Parkinson expressed the opinion that the three main publicity mediums, the Board of Trade, tourist council, and Regatta committee, should co-operate with the various service organizations in publicizing the occasion, in order that all publicity follow the same pattern. D. R. Leckie, pointing out that the Jubilee theme should be carried into Regatta to help attract visitors, suggested that folk dances by the new Canadian groups in the district would add to the pageant. This idea was well received, and it was later mentioned that participation of national groups in costume in the Jubilee parade and the Regatta parade would add interest and color.

VALLEY TRACK MEET
Dr. C. D. Newby, of Kelowna Riding Club, observed that horses which were part of the life at the turn of the century, could be put to good use. In offering the co-

operation of the Kelowna Riding Club, he pointed out that the horses would be in better shape around May 24 than early in May.

Senior High principal Jim Logie reminded council that the high school will host the Okanagan Valley Track meet on Saturday, May 21 and that something to do with the Jubilee celebration could be worked in. He promised the school band would be available.

Miss Nancy Gale, of the high school staff proffered a suggestion that a cash prize might be offered to the student who wrote the best essay or poem about Kelowna.

VARIOUS PROJECTS

The Junior Chamber of Commerce, through spokesman Pat Moss, advanced the idea that each service club might take on a project in connection with the celebration, for each month of the year.

At the close of the meeting Alderman Jackson said a steering committee would be appointed immediately to start preliminary plans and that another general meeting would be held later for further discussion.

Memorial Arena gets "new look"

A new paint job, inside and out, is being done at Memorial Arena in readiness for the forthcoming hockey season.

Entrance to the arena has received a coat of bright green paint, enhanced by silver on the posts and above the doors. Inside of doors has been given a refreshing maroon-like color.

Seating area is also being repainted and renumbered for greater convenience, while another coat of white paint has been applied to the fence surrounding the playing area.

Reports indicate season ticket sales are brisk. The 1954-55 season marks the seventh year of hockey here.

Okanagan Mission girl has not got polio

OKANAGAN MISSION—Friends of Nancy Drake, flown to Vancouver last month with what appeared to be the district's first case of polio, will be glad to know that she is making good progress in the Vancouver General Hospital. Miss Drake does not have polio, as was at first feared, but a severe neuritis which, while necessitating similar treatment, will leave no after-effects.

Over 200 delegates will attend engineers' parley

More than 200 delegates will attend the B.C. Municipal Engineers' convention in Kelowna, September 16-18, including representatives of cities and municipalities throughout British Columbia.

Highlighting the all round participation of professional engineers in community development will be the paper on "The City Engineer's position in Civil Administration" presented by W. C. Miller, P. Eng., City Engineer of St. Thomas, Ontario, and first president of the City Engineers' Association.

City Engineer George Meckling is in charge of local arrangements.

Prize winners in home show

Door prize winners at the Fourth Annual Junior Fall Fair and Home Show held in the Kelowna and District Memorial Arena last week-end were as follows:

Rock gas stove, W. J. Millar, 822 Harvey Avenue.
Bicycle, David Murdoch, box 274 R.R. 1, Kelowna.
Steam iron, Joan Greening, 857 Glenn Avenue.
Pop-up toaster, C. Halvarson, 1334 St. Paul St.
Electric kettle, M. Varasewich, R.R. 1, Kelowna.

Over 4,000 people attend fall fair and home show

Over 4,000 people visited Kelowna and District Memorial Arena during the three-day Junior Fall Fair and Home Show, sponsored jointly by the Kelowna Rotary Club and Arena Commission.

Interesting exhibits, valuable door prizes, films and music made it a fitting finale to the arena's summer program. The arena floor was taken to the Duke of Edinburgh, and the week-end in preparation for the coming hockey season.

In addition to industrial exhibits, spectators inspected fruit and vegetable exhibits and also took keen interest in livestock entries. Visiting to the Memorial Room saw the portrait of the Duke of Edinburgh, done by M. A. Van't Hoff. It will be placed at the west end of the arena, together with the painting of Queen Elizabeth.

Arena manager Percy Dowton said it was the best show held in the last four years.

A full list of prize winners has not been compiled, but will be ready in time for publication in Thursday's Courier.

OTHER EXHIBITS

Spectators saw revolutionary power shops, sander, drill; a huge relief map of the Central Okanagan, complete with contours, altitudes, legend; forest fire fighting equipment; a 16 mm. color film of mines, power, fisheries; other free movies were shown by the Kelowna Film Council, showing scenic beauty spots in color, Calgary Stampede, etc.; ornamental trees and shrubs; everything in household appliances and furnishings; ingenious folding doors; building supplies; sprinkler, irrigation equipment; furniture; typewriters; office equipment; heating equipment; farm machinery; mattress construction; air filters; furs, including an 850 Alaska Seal; chinchillas; "Kitts," born in June) pelts or regal animals sell for \$175 at New York, auction; tea and coffee display; pump equipment; electronic office equipment; R.C.S.C.C. Grenville; Kelowna and District Civil Defense.

Retailers plan meeting Sept. 27

A meeting of importance to Kelowna's business fraternity will take place Monday, September 27 in the Kelowna Board of Trade committee room at 7:30 p.m.

Mr. Dauchman, newly-appointed secretary of the Retail Merchants Association of Canada, will address the meeting. Those concerned will be invited to hear the Vancouver speaker.

Thunder storm Okanagan will play vital role in event of coastal attack, declares CD head

The Okanagan will play a vital defence role should an H-bomb fall on a coastal target, Col. J. H. Horn, co-ordinator of the Okanagan Valley Mobile Support and Reception Area, told civil defence representatives here Saturday.

In outlining the organization required to meet such an emergency, Col. Horn stated that tentative plans cover three phases: reception of evacuees from a target area; action in case of this area being attacked, and evacuation if enemy landing is effected.

Handling of evacuees would be a vast undertaking, he stated, with the whole area—Revelstoke-Salmon Arm on C.P.R. Mainline to International Boundary, east to Rock Creek and west to Hope—playing its part according to plan.

The area is almost self-sufficient in food supplies in emergency; is served by three main highways, plus secondary roads; railroad lines; two power companies; telephone communication; telegraph; airports; three radio stations; two booster stations, two CBC repeater stations and amateur radio operators.

Board of trade delegates will meet at Golden

Full agenda of the Okanagan Mainline Associated Boards of Trade meeting in Golden, October 4, has been received by the Kelowna Board of Trade.

It will be preceded by a conference at Kamloops, September 15. President of the Canadian Chamber of Commerce, W. J. Borrie, will be guest speaker at the latter meeting.

Okanagan Mainline Boards president, Herbert C. Hoover, will chairmen one session while H. J. Fossbrooke, Vernon, B.C. Chamber of Commerce president, will chairmen the other. Various panels will be heard during the day.

Emergency food stations would feed thousands

Emergency feeding of thousands of refugees from the coast target area in the Okanagan Valley, will constitute a gigantic challenge, CD workers were told here Saturday.

The report, given by Mrs. Fido-borony, showed how the situation would be handled. It would necessitate the setting up of a rest and food camp, cooking and sanitation facilities, parking space, adequate water supply, essential equipment, constant food supplies, cooks, servers, work crews, incinerator, fuel supplies, traffic directors and a host of other things. How this would be done at Princeton was outlined.

Psychological effect of disaster, handling of refugees, reception centres, billeting, counselling, were and supervisory care would all be the chief points covered in a CD required, she said.

Attractive display booths

Above picture shows the attractive display booths at the Junior Fall Fair and Home Show held in Kelowna and District Memorial Arena Thursday, Friday and Saturday. Over 4,000 people trooped through the arena during the three days to see the exhibits.

Westbank's annual fall fair rated one of best in the last 15 years

WESTBANK—Keen competition in the more than 600 entries exhibited at Westbank's fifteenth annual fall fair made the event the most successful ever held, and District Horticulturist Alex Watt, in officially opening the gala show, told his audience that he was impressed by the tremendous response from the young people of the district, who represent future growers, farmers and housewives.

In his remarks, Mr. Watt congratulated Westbank Women's Institute and the Westbank Board of Trade for their joint effort in sponsoring the fair, and commented on the outstanding exhibit of pears, which was closely followed by the numerous entries in classes for apples, farm produce and flowers.

The functions of a fair, the speaker said, is to uphold the standard of perfection, and those exhibiting may learn where they fall one year and so improve their standard another season. A fair also unites the community in one grand effort each year, and while everyone cannot win, Mr. Watt pointed out that losing may be their mistake, while spectators enjoy seeing what the community can do, and frequently are quite surprised by what is accomplished and thus encouraged to enter in a future fair.

Aggregate winners in the various classes were: Fruit—H. O. Paynter, with 27 points, who was awarded the silver cup donated by the Community Club for annual competition; plus a special prize. Farm produce—Yoshi Tabata, with 16 points, who was presented with a special prize.

Flowers—Allan H. Davidson, already the holder of the silver flower basket won three years in succession and donated by Mr. and Mrs. A. F. Johnson, who was awarded a second silver basket, also donated by Mr. and Mrs. Johnson. Mr. Davidson's aggregate was

51. District Horticulturist Alex Watt, placed the awards for fruit, flowers and farm produce, and Rev. Mr. Gibson, of the United Church in Peachland and Westbank, kindly judged the teen-age and children's classes.

CLASS WINNERS

Winners in the various classes were: Fruit—Len Hannam, director, Red Delicious: 1. Len Hannam; 2. C. J. Tolhurst; McIntosh Red: 1. H. Kramer; 2. Len Hannam. Newtown: 1. H. O. Paynter; 2. G. W. Gillis. Winesap: 1. C. J. Tolhurst; 2. G. W. Gillis. Rome Beauty: 1. C. J. Tolhurst; 2. G. W. Gillis. Any other named variety: 1. H. O. Paynter; 2. G. W. Gillis. Collection of four named varieties: 1. J. W. Hagman; 2. H. O. Paynter.

Daigou pears: 1. H. O. Paynter; 2. E. C. Barrett; 3. C. J. Tolhurst; 2. H. O. Paynter. Flemish: 1. Mrs. A. F. Johnson; 2. H. O. Paynter. Any other named variety: 1. H. Kramer; 2. A. Davey.

Peaches: V-variety: 1. Werner Brooks; 2. C. J. Tolhurst. Any other named variety: 1. H. O. Paynter; 2. E. C. Barrett; 3. C. J. Tolhurst; 2. H. O. Paynter. Italian Prune: 1. H. O. Paynter; 2. Dave Gogel. Damson plums: 1. Mrs. A. F. Johnson; 2. Len Hannam. Plums, any other named variety: 1. H. Kramer; 2. Len Hannam. Crab-apples: 1. C. J. Tolhurst; 2. Mrs. S. Seltenrich. Grapes: 1. Mrs. S. Seltenrich; 2. Len Hannam. Acorn: 1. Mrs. E. Campbell. Centre of locally-grown fruit: 1. Werner Brooks; 2. H. O. Paynter.

FARM PRODUCE

Farm produce—director: M. R. Chaplin; Green Beans: 1. A. Davey; 2. Yoshi Tabata. Beans Scarlet runner: 1. Mrs. Len Hannam; 2. Mrs. F. Hoskins. Beans: 1. J. W. Hannam; 2. W. Lewis. Cabbage, green: 1. Len Hannam; 2. Werner Brooks. Cabbage, red: 1. Werner Brooks. Carrots: 1. Mrs. T. Parker; 2. Mrs. A. F. Johnson. Table corn: 1. Mrs. A. F. Johnson; 2. Mrs. A. Reece. Cucumbers: 1. Werner Brooks; 2. Yoshi Tabata.

ATTRACTIVE DISPLAY

Mrs. D. Hardwicke, well-known for her exquisite shellwork, this year displayed a new handcraft made from breadcrumbs and formed into dainty flowers and buds in pastel shades. Glass-topped traps showed this new departure off to advantage, and Mrs. Hardwicke's description of how she works with this new medium intrigued all who heard.

Another display made by Mrs. Hardwicke was that of wood fibre flowers in novel containers painted, and then trimmed with vines made from seeds. Flowers made up from watermelon seeds; with larger leaves were on one container, while smaller ones with trimmed with wreaths of tiny vines, the leaves being formed from cucumber seeds.

Wild cranberry seeds formed the flowers on another, and when all was painted very novel effects were produced. The flowers from wood fibre were most realistic; there being peonies, tulips, violets, geraniums, iris and cyclamens. In a basket of spring blooms furry pussy-willows were mingled, these being made from chenille.

Lovely leather work handsomely tooled and made by Miss Sheila Jackson, of East Kelowna attracted considerable attention, and comment. A group of landscapes, taken and enlarged by W. H. H. Moffat, while unable to compete in the class calling for photograph prints, deserves special mention. This group of six enlargements consisted of some of the finest panoramas in the Okanagan, and Mr. Moffat's photography reveals the care and thought that he has put into what is proving more than a mere hobby.

Other colorful displays were those of dahlias and glads from H. H. Johnson, Vernon Road, and the MacLaughlin Glad Farms at Summerland and Lakeview Heights, while the exhibits of woodworking craft made by those taking the class last winter were greatly admired. Judging the flowers was Nat May, of the Summerland Experimental Station, who expressed disappointment that some exhibitors did not appear to understand that when a bowl was called for, it meant just that. As a consequence, a number of entries were disqualified on that score—the flowers (nasturtiums in this case), not being exhibited in bowls.

Mrs. H. W. Williams of Kelowna, judged the women's work, while Mrs. Trevor Pickering, also of Kelowna, was the judge for home econ-

Lightning

At the Toronto Exhibition—the world's greatest annual fair—one always finds something of interest. One booth that I found of considerable interest was the display of the Dominion weather bureau.

You know, it is a disquieting thought in these days of summer thunderstorms but no one is perfectly safe anywhere from a bolt of lightning.

Lightning seeks the quickest, easiest way to the ground. If your body happens to provide that route, you've had it. If it is any consolation, the lightning you see is harmless as far as you are concerned. You never see the one that hits you.

Chill people on the whole are safer than those in rural areas.

Davidson; 2. Mrs. I. Longley. Best decorative vase: 1. A. H. Davidson; 2. Mrs. E. Campbell. Best arranged bowl for table decoration: 1. Mrs. F. Hoskins; 2. N. H. Lightly. Collection of four annuals: 1. A. H. Davidson; 2. N. H. Lightly. Corsage: 1. Mrs. Len Hannam; 2. Mrs. W. H. Hewlett.

House plants, fibrous begonias: 1. Mrs. I. Longley; 2. Mrs. E. Drought. Coleus of foliage plant: 1. Mrs. I. Longley; 2. Mrs. T. Stafford. Cactus or succulent: 1. Mrs. E. Campbell; 2. Mrs. C. MacLaughlin. Hanging plant: 1. Mrs. E. Drought; 2. Mrs. C. Hansen. Any other plant: 1. Mrs. Bittner, African violet; 2. Mrs. A. Ruffie, fuschia.

Home Economics, director, Mrs. J. Seltenrich. White bread: 1. Mrs. J. Gorman; 2. Mrs. A. E. Smyth. Brown bread: 1. Mrs. A. Reece; 2. Mrs. M. Black. White buns, made with eggs: 1. Mrs. T. Parker; 2. Mrs. L. Clarke. Tea biscuits, Blue Ribbon baking powder contest: 1. Mrs. T. Parker; 2. Mrs. L. Clarke. Bran muffins: 1. Mrs. E. J. Taylor; 2. Mrs. C. MacLaughlin.

Chiffon cake, three varieties: 1. Miss Jeanne Brown; 2. Mrs. A. Reece. Chocolate layer cake, iced: 1. Mrs. A. Reece; 2. Mrs. B. Black. Jelly Roll: 1. Mrs. H. O. Paynter; 2. Miss Marilyn Maddock. Date and nut loaf: 1. Mrs. C. MacLaughlin; 2. Miss Marilyn Maddock. Apple pie: 1. Mrs. D. Maddock; 2. Mrs. H. Cornish. Okanagan fruit pie: 1. Mrs. A. F. Johnson; 2. Mrs. D. Maddock.

Bottled fruit, three varieties: 1. Mrs. W. H. Hewlett; 2. H. E. Gough. Fruit jam, two varieties: 1. Mrs. Topham, Peachland; 2. Mrs. C. MacLaughlin. Jelly, two varieties: 1. Mrs. F. Topham; 2. Mrs. W. B. Gorn. Mixed pickle relish: 1. Mrs. W. H. Hewlett. Pickles, two varieties: 1. Mrs. E. Campbell; 2. Mrs. W. H. Hewlett. Salad dressing: 1. Mrs. A. Ruffie; 2. Mrs. Godin.

Women's work. Crochet, ladies' and men's: 1. Mrs. C. Hansen. Dolly: 1. Mrs. Roy Van; 2. Mrs. Roy Busch. Lace on any article: 1. Mrs. W. MacLean; 2. Mrs. O. Jackson, East Kelowna. Chair set: 1. Mrs. R. Busch; 2. Mrs. Bittner.

Knitting. Baby set, three pieces: 1. Mrs. A. Stanley; 2. Mrs. C. Blackie. Ladies' sweater: 1. Miss Barbara Jackson, East Kelowna. Man's sweater: 1. Mrs. C. Hansen; 2. Mrs. I. Longley. Child's sweater: 1. Mrs. I. Longley; 2. Mrs. Bittner. Socks, plain: 1. Mrs. J. H. Blackie; 2. Mrs. G. W. Stubbs. Socks, fancy: 1. Mrs. W. J. Hewlett. Gloves or mitts: 1. Mrs. O. Jackson, Kelowna. Dolly: 2. Mrs. O. Jackson.

Sewing. Lady's house dress: 1. Mrs. P. Brown; 2. Mrs. E. Campbell. Child's cotton dress: 1. Mrs. P. Brown. Work apron: 1. Mrs. P. Brown; 2. Mrs. A. Ruffie. Fancy apron: 1. Mrs. P. Brown; 2. Mrs. O. Reid. Apron, child's: 1. Mrs. P. Brown; 2. Mrs. A. Ruffie. Lady's skirt: 1. Mrs. P. Brown; 2. Mrs. E. Campbell.

Needle art. Afghan: 1. Mrs. W. MacKay; 2. A. J. Chidley. Peachland. Tie-dye cloth, embroidered in color: 1. Miss Barbara Jackson; 2. Miss Sheila Jackson, both of East Kelowna. Pillow slip: 1. Mrs. P. Brown; 2. Mrs. Godin. Cross-stitch: 1. Miss Barbara Jackson; 2. Mrs. W. Brooks. Cutwork: 1. Mrs. A. Stanley; 2. Mrs. F. Topham. Jar. Pot-holders: 1. Mrs. E. Brown. Fanned needlework picture: 1. Mrs. H. Cornish.

Hooked Rug: 1. A. J. Chidley, Peachland; 2. Mrs. Hastings. Fancy sofa cushion: 1. Mrs. I. Longley. Something new from something old: 1. Mrs. C. MacLaughlin, rug; 2. Mrs. E. Hastings, quilt. Novelty: 1. Mrs. J. Busham; 2. Mrs. W. Arnott.

Competition for school pupils. Director, Mrs. M. Black. Drawing, grade 1: 1. Jeffrey Paynter; 2. Edward Ruffie, Peachland; 3. Murray Black. Hobby article, grade 2: 1. Jo-Anne White; 2. Freddy Kramer; 3. Ruth Atkinson. Scrapbook, grade 3: 1. Donna Currie; 2. Judith Gore. Hobby article, grade 3: 1. Stuart Jennings; 2. Diane Ruffie, Peachland; 3. Stevie Hardwicke.

Scrapbook on Congo, grade 4: 1. Jeannie Ingram; 2. Heather Black; 3. Victoria Atkinson. Hobby article grade 4: 1. Doriswell, Ruffie, Peachland. Grade 5: Hobby article: 1. Terry Hopkins; 2. Ethel Peterson; 3. Jerry Hopkins. Scrapbook on health, grade 5: 1. Callie Currie; 2. Joan Ingram; 3. Marjorie Currie.

Teen-age section. Apron: 1. Kathleen Ingram. Dress: 1. Marilyn Maddock; 2. Diane Ruffie, Peachland. Cooking tea-biscuits: 1. Donna Currie; 2. Kathleen Ingram. Drop Cookies: 1. Marilyn Maddock; 2. Patry Hopkins. Fudge: Sharon Hiebert; 2. Kathleen Ingram. Chocolate layer-cake: 1. Marjorie Currie; 2. Sharon Hiebert. Miscellaneous: 1. Mrs. J. Seltenrich; 2. Mrs. C. MacLaughlin. Prints of wild-life taken by teen-agers: 1. Cathy Seltenrich; 2. Warren Stafford; 3. Joe Gogel.

Model airplane: 1. Jackie Seltenrich; 2. Jerry Hopkins. Woodwork: 1. Wayne Davidson; 2. Peter Busham.

Power and telephone lines, telephone poles and high buildings are more likely targets for a bolt than any one of a group of dwellings. One of the safest places of all is inside a motor car.

This is not because a car rests on the insulation of rubber tires. An inch or two of rubber will not stop a bolt of lightning. A car is safer because it forms a metal shell around you and the lightning will run around it to the ground rather than penetrate it.

All these appliances are equipped with arrestors or insulators. Nevertheless a bolt of lightning can shatter such puny obstacles and, everlastingly seeking the quickest way to earth, jump to your body. For the same reason do not use the telephone.

Despite familiar warnings against it, there is no particular danger in standing at a window to watch a lightning storm. The glass is a protection. And as far as an open door or window bringing in lightning on a draft, that is sheer myth.

But you are inviting trouble if you hide under the bed. The springs

penetrate it.

There is danger in being close to any electrical fixture—a radio, a stove, or even a food mixer—if it is on during an electrical storm. This does not mean you have to turn off the radio. Just do not go near it.

Two dangerous places to be when lightning cracks are under a tree or in an open boat. If the tree is hit, there is the chance of the bolt jumping from it to the body of any one who has taken shelter beneath it. And if you are sitting in a canoe or an outboard, your head will be the highest elevation over a considerable area of water. Best thing to do in such a case is lie down in the boat and hope for the best.

Closing windows will keep out the rain, but otherwise has practically no effect on lightning. Lightning does strike twice in the same place, despite the old adage. The Empire State building has been struck 9 times in 20 minutes.

Thunder is just the sound of lightning; it can't hurt you. The expert at the exhibition booth put it this way: "If you heard thunder, the lightning did not strike you. If you saw the lightning, it missed you, and if it did strike, you don't know it now."

And for what it is worth, Toronto has an average of 22 thunderstorms a year; Vancouver only 4. In 1963 American tourists spent \$282 million in Canada, Canadian tourists spent \$307 million in the U.S.

September 9 comes the 50th birthday of Liberal leader Arthur Laing, born at Elbourne, B.C. While Mr. Bennett has had no political setbacks, except the defeat of Mr. Gundersen—and how that shook him—Mr. Laing's political path is strewn with disappointments and frustrations. He doesn't know where to turn.

September 10 we have two legislative birthdays. Attorney-General Bonner, born in Vancouver, will be 34; Liberal Mr. Gregory, of Victoria, born in Victoria, will be 38. Mr. Bonner looks the older, because he has a hair on his head. However, his baldness lends him a certain legal dignity—though doubtless he rather has less dignity and some hair, being young enough to pay attention to such important, but entirely non-essential details. One's ego at 34, you know!

September 12, C.C.F. Mr. Turner of Vancouver East, born in England, will be 68. Though that's not old, he's one of the oldest in this Legislature, which is remarkable for its youthfulness—political as well as according to the calendar.

September 15 Health and Welfare Minister Martin, born in Winnipeg, will be 49. Looking into the Parliamentary Guide, we learn anew what we had forgotten—that Mr. Martin was determined to get elected. Mr. Martin for years figured he has a message to the people—and tell it he had made up his mind to do. Twice in 1945 he ran for office for the Legislature and for the House of Commons, was defeated both times. In 1949 he ran again for the Legislature, couldn't make it. In the Social Credit high-tides of 1952 and 1953 Mr. Martin was washed up on the legislative beach. And so now he's very happy indeed.

September 17, C.C.F. Mr. Harding of Kaslo-Slocan, born in Silvertown, B.C., will be 40—that age a man hates and fears to reach. However, Mr. Harding will find, after the first shock, that it's not so bad. He's a young-looking 40, too, and that should comfort him, and besides, he's the best, the quickest, the most polished, most entertaining legislative debater in B.C. today. He's a deep thinker, too!

And so, happy birthday to you all,

happy birthday to you, each and everyone of you—Messrs. Bennett, Laing, Bonner, Gregory, Turner, Martin and Harding.

VICTORIA—If the Legislature was in session this month we'd have a merry round of birthday greetings. M.L.A.'s always forget political differences to wish each other well on their birthdays.

September was a pretty good month for turning up M.L.A.'s. Seven of your 48 M.L.A.s were born in September.

Heading the list, because he's the boss of the government and the boss of the Legislature, is Premier Bennett. He was 54 September 6. He was born in New Brunswick, and he's glad he followed the advice: "Go west, young man." Certainly it paid off for him; pursuing a devious course in politics he reached the top elective position in B.C.

September 9 comes the 50th birthday of Liberal leader Arthur Laing, born at Elbourne, B.C. While Mr. Bennett has had no political setbacks, except the defeat of Mr. Gundersen—and how that shook him—Mr. Laing's political path is strewn with disappointments and frustrations. He doesn't know where to turn.

September 10 we have two legislative birthdays. Attorney-General Bonner, born in Vancouver, will be 34; Liberal Mr. Gregory, of Victoria, born in Victoria, will be 38. Mr. Bonner looks the older, because he has a hair on his head. However, his baldness lends him a certain legal dignity—though doubtless he rather has less dignity and some hair, being young enough to pay attention to such important, but entirely non-essential details. One's ego at 34, you know!

September 12, C.C.F. Mr. Turner of Vancouver East, born in England, will be 68. Though that's not old, he's one of the oldest in this Legislature, which is remarkable for its youthfulness—political as well as according to the calendar.

September 15 Health and Welfare Minister Martin, born in Winnipeg, will be 49. Looking into the Parliamentary Guide, we learn anew what we had forgotten—that Mr. Martin was determined to get elected. Mr. Martin for years figured he has a message to the people—and tell it he had made up his mind to do. Twice in 1945 he ran for office for the Legislature and for the House of Commons, was defeated both times. In 1949 he ran again for the Legislature, couldn't make it. In the Social Credit high-tides of 1952 and 1953 Mr. Martin was washed up on the legislative beach. And so now he's very happy indeed.

September 17, C.C.F. Mr. Harding of Kaslo-Slocan, born in Silvertown, B.C., will be 40—that age a man hates and fears to reach. However, Mr. Harding will find, after the first shock, that it's not so bad. He's a young-looking 40, too, and that should comfort him, and besides, he's the best, the quickest, the most polished, most entertaining legislative debater in B.C. today. He's a deep thinker, too!

And so, happy birthday to you all,

happy birthday to you, each and everyone of you—Messrs. Bennett, Laing, Bonner, Gregory, Turner, Martin and Harding.

VICTORIA—If the Legislature was in session this month we'd have a merry round of birthday greetings. M.L.A.'s always forget political differences to wish each other well on their birthdays.

September was a pretty good month for turning up M.L.A.'s. Seven of your 48 M.L.A.s were born in September.

Ferries carry 14,546 people over Labor Day

A total of 9,537 vehicles carrying 14,546 passengers piled onto the Kelowna-Westbank ferry over Labor Day week-end, as thousands flocked to the Okanagan for the summer's last holiday week-end. Ferry officials tried desperately to keep up with the heavy traffic movement, but despite the fact three ferries operating 16 hours a day over the long week-end, cars were backed up to Ellis Street for about a two-hour period Monday, as visitors started heading for home.

The average wage in manufacturing reached a new high of \$14.43 an hour at June 1st, compared with \$13.55 a year earlier. In the period the average weekly wage increased only 11 cents, to \$26.78, due to a decline in the average number of hours of employment.

And for what it is worth, Toronto has an average of 22 thunderstorms a year; Vancouver only 4. In 1963 American tourists spent \$282 million in Canada, Canadian tourists spent \$307 million in the U.S.

JOHN NIAGARA Talks about: HOW TO GET A Friendly Loan

You know a lot of people the first time they come to Niagara Finance worry about whether or not it's the right thing to do. It's quite true that we don't make a loan every time anybody walks through our doors. Frankly, we'd be out of business if we did. But you'd be surprised at the number of people who do get loans, and chances are good that if you need money, you can get it too. We've grown to be a big organization now, but the men we have in our offices spread across Canada, we like to think, are pretty well trained. They're trained to understand how to solve your money problems, in a friendly way. So if you need money, why don't you drop in? There are two good reasons why you should, you know. The first is that our rates are lower on our friendly loans... the second is that loans up to \$1500, are no-secured, for you family's protection, at no extra cost to you. We think that these features make our loans a better deal than you get down the street. Inquire, won't you?

"I saved money on my life insurance because I bought a Mutual Life policy..."

"When I took out most of my life insurance, my first thought was 'How big a premium will I have to pay?' Then a representative of The Mutual Life of Canada said: 'The real cost of life insurance is the premiums less the amount you'd receive in dividends.'"

"He showed me the outstanding dividend record of The Mutual Life of Canada. That convinced me."

"Over the years, I'm already several hundred dollars to the good because I took out a Mutual Life policy."

To get the best protection for your family or business, get the Mutual Life of Canada representative in your community today.

A Bank is useful in so many ways...

At a bank, you can keep important papers and other valuables in a private safety deposit box.

Travellers Cheques and Letters of Credit provide a safe, handy source of funds when you travel.

A bank helps you do business at a distance; sells exchange, transfers funds, makes collections.

A bank is much more than just a place to cash a cheque or deposit your savings. The many services it provides are designed to help you handle money matters more simply, safely, easily. You will find bank people courteous and efficient in handling routine banking matters and helpful, too, when unusual problems arise. Don't hesitate to "see the bank about it."

"Nightgowns" for FIRE-FIGHTERS
WIDE-AWAKE was departments may soon be turned out in a new heat-resisting suit built on the general lines of the old-fashioned nightgown. Made of reflective aluminum foil, this suit will give the hook-and-ladder team a lot more protection from extreme heat.
Canadian farmers have the same idea when they build their barns of aluminum sheet. Not only is aluminum fire-resistant but it also keeps barns cooler in summer because it reflects the heat of the sun; and in winter reflects heat into the barn heat that would otherwise escape. In fact, you might say that in the products of Canada's aluminum industry are reflected countless smiles to better living — on the farm, in the city, in your own home. Aluminum Company of Canada, Ltd. (Alcan).

Richly colored gladioli deck Penticton United Church as wedding unites two well-known Okanagan families

Justweds embark on southern honeymoon

Father Jensen officiated at the wedding of Caroline Mary Fugger, daughter of Mr. and Mrs. J. Fugger, of Kelowna, and Robert Russell Leckie, son of Mr. and Mrs. Kenneth Leckie, of Vancouver, which took place September 6 in St. Theresa's Church, Rutland.

The bride, given in marriage by her father, wore a gown of pale blue embroidered organza with matching lace cap. She carried a prayer book topped with a gardenia.

Her bridesmaid, Miss Elna Mes-ton, wore a dress of blue and white striped tulle with a short jacket. A spray of artificial violets and lily of the valley was caught in her hair.

Best man was Mr. Art Hall, while Mr. John Ivens, and Mr. Earl Robinson of Vancouver, acted as ushers. Miss Helen Martin was soloist, with Miss Martha Martin as organist.

RECEPTION
At the reception, held in the Little Theatre Building, the bride's mother received the guests clad in a dress of grey silk with touch of yellow, and grey accessories, while the mother of the groom chose a dress of slate blue, with navy accessories.

Toast was proposed by Mr. Cedric Boyer, answered by the groom. Servitors were Mrs. John Ivens and Miss Jacky Fugger.

Wearing a Forbes plaid suit with matching hat and navy accessories, the bride left with her husband for a honeymoon trip by car to the south. They will reside at Poplar Trail, Miss Jean Mitchell, Coquitlam; Mr. and Mrs. Alex Harvie, Kelowna; and Miss Sheila Hicks, Victoria.

Of particular interest during the reception hours was the pleasing concert of operatic selections and several lighter numbers presented by Miss Sydney Barbara Hembling, who has been studying voice in Hollywood. Miss Hembling came to Penticton for her sister's wedding.

Will discuss TB sales plans

Miss Hazel Hart, director, Christmas seal sales for the Canadian Tuberculosis Association, Ottawa, arrived in Kelowna on Wednesday to discuss organizational plans with the I.O.D.E. Christmas Seal committee.

Miss Hart was accompanied by Fred T. Arnold, executive secretary of the B.C. Tuberculosis Society, Vancouver. Mr. Arnold will discuss tuberculosis services and preventive programs with the local Christmas Seal committee.

FRIDAY NIGHT CLUB
All members are requested to attend Friday, Sept. 10, general meeting, election of officers, 8:00 p.m., United Church Hall. Badminton after meeting.

WATCH FOR IT!
Millions of Canadians, in the valley of decision for the day of the Lord is near in the valley of decision! Read Ezek. 36th and 37th chapters. — Issued by the British Israel Association, 1236A Seymour St., Vancouver, B.C.

Westbankers have many visitors from various points over holiday week-end

WESTBANK—Brief visitors at the home of Miss Grace and Mr. A. E. Hewlett during last week-end were former Westbank residents Mrs. R. S. Carre and her son, Hilary, both of whom now make their homes in Vancouver. Accompanying them was Mr. Carre's cousin, Mr. Eric Moore, who is a civil engineer in Pakistan, and who is en route there via Canada, Fiji, and New Zealand, after a voyage home to his native Channel Islands and England.

The travellers motored through the Fraser Canyon and returned to the coast by way of the Hope-Princeton Highway.

Mrs. R. F. Hogarth, of Vancouver, is staying with Mrs. M. E. G. Pritchard during a holiday in the Okanagan. Another Vancouver visitor is Mrs. J. L. Hughes, who is the guest of her son-in-law and daughter, Mr. and Mrs. "Mac" Black.

Recent visitors at the home of Miss E. Sumpter were her brother-in-law and sister, Mr. and Mrs. Cecil Lovell, with their son, Fred. Mr. Lovell has been the head herdsman at Agassiz Experimental Farm for the past twenty-five years.

Returning to their home at Norgate Park, North Vancouver, a week ago, were Mr. and Mrs. J. L. Sayers, with Terry, Judy and Paisy. Mrs. Sayers with the three children have spent the summer at Gellatly Point, while Mr. Sayers was able to enjoy three weeks' vacation here.

Travellers to Westbank during the holiday included Miss Olive Hewlett, of Kamloops, who spent the week-end with her parents, Mr. and Mrs. W. H. Hewlett. From Vancouver came Mr. and Mrs. Roddy Holburn, who were guests at the home of Mrs. K. E. Stewart; and Mr. and Mrs. Alex Macklin and family, who visited Mrs. Macklin's mother and sister, Mrs. L. A. Hewlett and Mrs. R. Drought.

Miss Pearl Griffin, R.N., daughter of Mr. and Mrs. F. H. Griffin, Westbank, is back on the staff of Kelowna General Hospital following a three months' trip to the old country, where she toured the British Isles and the continent. Driving to Montreal, Miss Griffin flew across the Atlantic and return, and drove from Montreal to Toronto, where she awaited the arrival of Miss Kay Woods, R.N., who also plans to be back on the Kelowna hospital staff this month. Miss Woods has been absent a year, having nursed in London before joining Miss Griffin for their trip together.

Driving from Crescent Spur last week to spend a holiday with Mrs. Hewlett's parents, Mr. and Mrs. A. Broadhead, were Mr. and Mrs. Harold Hewlett, and their two small children, Philip and Barbara. The travellers left this week for the coast for an indefinite time.

Home from holidays that took them to Hope, Vancouver and points south of the border and later to Trail, are Mr. and Mrs. A. W. Bagge, who accompanied them home from Hope, where Mrs. Bagge's daughter, Georgia Beavis, who spent the summer there, and from Trail, Mrs. Bagge's father, A. Beatty, returned with his daughter and son-in-law, and will spend some time here.

Mrs. Ann Wagner, of Vancouver, was a visitor in Westbank this week, where she was the guest of her brother and sister-in-law, Mr. and Mrs. J. Schneider. Proceeding to Vancouver, Mrs. Wagner was accompanied by her son, Allan, who spent the summer with his uncle and aunt, while his mother was at Banff.

Mrs. A. M. Stewart, of Salmon Arm, was a recent guest of her sister, Mrs. Dorothy Gellatly.

R. J. Lynn has returned home from Vancouver, where he was a patient in Shriners Military Hospital for some weeks.

Mrs. Clifford Dobbin, accompanied by Ronnie and Wendy, left a week ago for Horseshoe, where Mr. Dobbin is with the Forest Service. Mrs. Dobbin is expected from the Cariboo earlier in August.

Mr. and Mrs. J. A. Brown have returned home after a brief visit to the coast.

Mr. and Mrs. A. Fearney motored to points in Washington during the holiday week-end.

Married in Vernon

A quiet wedding took place in the chapel of All Saints Anglican Church, Vernon, on September 5, when Marilyn Wilma Oatman was united in marriage with Kenneth Gordon Marshall. The Rev. Canon L. A. C. Smith officiated.

The bride is the second daughter of Mr. and Mrs. E. R. Oatman of Kelowna, while the groom is the eldest son of Mr. and Mrs. C. A. Marshall of Vernon.

The couple will reside in Kamloops.

Busch-Martin rites held September 4

The Church of the Immaculate Conception, decked with gladioli, was the scene of the wedding of Angelina Martin, daughter of Mr. and Mrs. Angelo Martin, K.L.O. Road, and Ernest Michael Busch, son of Mr. and Mrs. Michael Busch, 799 Sutherland Avenue. Rev. Father Jensen officiated at the morning ceremony, which took place September 4.

The bride, given in marriage by her father, wore a full-length gown of embroidered nylon over satin, the skirt featuring an inset of ruffles. Her fingertip veil was caught to a Juliet cap matching the gown, and decorated with rhinestones and pearls. She carried a prayer book and bouquet of red roses and stephanotis.

Mrs. Helen Tutt, sister of the groom, was one of her attendants, clad in a gown of green net and lace over tulle, with matching bolero, gloves and headpiece. The bridesmaid, Miss Eileen Daniel, niece of the bride, wore a similar ensemble in yellow. They carried cascade bouquets of gladioli.

GROOM'S MEN
Groom's men were Mr. Reginald Martin, brother of the bride, and Mr. Ray Busch, brother of the groom, while Mr. Gerry Tutt and Mr. Robert Harbicht acted as ushers. Soloist was Mrs. R. Martin, with Miss Martha Brockman as organist.

The bride's mother chose a cocoa-brown afternoon dress with accessories in a deeper shade, and wore a corsage of yellow chrysanthemums, while the groom's mother wore a two-piece navy afternoon dress with white accessories and a corsage of pink and white carnations.

The reception was held at the Aquatic, with 65 guests attending. The three-tiered wedding cake, made by the groom's mother and decorated by Mr. H. Young, centred the bride's table, beautifully decorated with gladioli.

Toast was proposed by Mr. Ross Lemmon, answered by the groom. Following the reception the new-

lyweds left by car for a two week honeymoon in the United States and Vancouver. The bride wore a tan linen dress with matching coat, copper accessories, and a corsage of yellow and bronze chrysanthemums. They will reside at 361 Royal Avenue.

An open house was held at the home of Mr. and Mrs. Michael Busch after the reception at the Aquatic.

Penticton Athletics beat Kelowna Orioles in semis

Penticton Athletics yesterday knocked Kelowna Orioles out of the Okanagan-Mainline Senior Baseball League playoff picture by setting them back 5-2 in the second encounter of a best-of-three semi-finals in Elks Stadium.

Athletics took the first tilt by the same score two weeks ago in the Peach City.

Penticton took a 2-0 lead in the second inning, with Raptis and Mori making home, after getting on base with a two base hit and a walk respectively.

Only home run of the series was made in the third frame when Sam Drossos, of Penticton, homered, bringing in Raptis and Mori.

Fourth inning was scoreless. Mickey Martino singled for locals and Wishlove doubled. Second baseman Eddie Kiebiński then singled to load the bases with Koga at bat. Koga was put out on a fly to Raptis in right field, putting an end to Kelowna's chances of entering the Okanagan-Mainline finals.

Kelowna's first run was scored in the fifth, with Romie Ito getting home on an error by Athletics' shortstop Burgart.

NO RUNS
No runs were scored in the sixth. Martino, of Kelowna, was put out on a fly ball to G. Drossos in centre field. Wishlove was stopped on a play by Penticton's pitcher Jordan and first baseman Moore, and Kiebiński hit a fly ball to Mori in left field. Mori, who hit a single, was the only Penticton player to pick up a hit in the sixth.

Final run of the game was scored by Orioles in the seventh when Koga hit a single and was brought in when coach Rudy Klisch, who went in for Bregolisse, hit a two bagger.

Kelowna made nine hits, while Athletics got seven. Orioles made two errors and Penticton made six. Kelowna left nine men on base and Penticton left six.

Jordan was the winning pitcher, with Powell catching. Wishlove went seven innings for locals and

Ball chucked the last two. Roche caught by Kelowna.

Penticton Athletics enter the finals against Oliver, who yesterday defeated Kamloops 5-3 in the final game of the semi-finals.

BOX SCORE	AB	R	H	P	O	A	E

SPORTS SPHERE

Appears with New York Rangers

Pictured above is Andy Bathgate, one of the youthful members of the New York Rangers who are slated to play Vancouver Canucks of the Western Hockey League in an exhibition game Saturday in the Orchard City.

Andy is the brother of Bernie Bathgate, last season with Penticton V's and formerly of Kamloops Elks. This is twenty-two-year-old Bathgate's third year playing professional hockey. He was captain of the Guelph, Ont., Memorial cup winners three years ago. Andy, who can play any forward position, played 20 games last season with New York and 17 with Vancouver. He scored two goals and assisted on a pair for four points with Rangers. And he picked up 22 points with Canucks, garnering 12 goals and ten assists. In the summer he and his brother Frank, who is also in the Ranger chain, operate a golf driving range in Guelph, their hometown.

The sports camera

Specially Written for The Courier

By JIM BASTABLE

Canada's professional football teams are waving a tasty lure at United States fans who like to look at television. They hope to make

The Canadian game has been big business for years. Payrolls run high for top Canadians and the best U.S. imports. But not until this season has there been any move to sell Canada's brand of football to Americans.

This season the NBC is showing Big Four league games and the Grey Cup championship to living-room

quarterbacks in the U.S. The potential audience is about 40,000,000.

TV officials think it's a natural to bite into the spectator field of American professional and college football, which woos millions every year.

The coast-to-coast coverage — in addition to the CBC TV hookup — began when Ottawa Rough Riders met the Argonauts at Toronto in the first Big Four Game.

The salesman's pitch in this case is, naturally, the import feature. Every club in the Big Four and the Western Interprovincial Football Union carries at least 10 American players.

The NBC will carry 13 regular Big Four games, plus the Grey Cup classic in Toronto Nov. 27 between the eastern and western champions.

The NBC selects one of the two games each week for its series.

The American audience will see many familiar players up here, such as half Gene (Choo Choo) Roberts, a star from New York Giants of the National Football League; Avatus Stone, former Chicago Cardinal; and quarterback Johnny Channing of South Carolina, all of Ottawa; Sam (The Rifle) Etcheberry, a quarter from Albuquerque, N.M. and end Red O'Quinn, both of Montreal Alouettes.

There are many more including ace quarter Nobby Winkowski and halfback Bill Cross of Toronto Argonauts. Winkowski has been with Argos for two years since coming up from Chicago. Cross, a five-foot-eight half, was a standout with the Cardinals last year.

What do Americans think of the Canadian game? Some are befuddled by the no-downfield blocking rule and the scoring system. U.S. sportswriters were up for the Ottawa-Toronto game and Jack Hand of The Associated Press commented:

"It was a bit odd to see many players on their feet at the end of a scrimmage because no downfield blocking is allowed. It took time to get used to the rules that require a team to make 10 yards in three downs, instead of four."

The 12-man team rule was a bit confusing to the American visitors but they didn't have to blush. Ottawa coach Clem Crowe, former Notre Dame great, got mixed up and sent 13 men on to the field at one stage in the third period. Most of the time the game simply rolled along with no time-out periods, except when a player was stretched

on the sod."

The others agreed.

Soccer league schedule

Following is the schedule for the newly formed Okanagan Soccer League. In the case of Kelowna, where there are two teams, 1 indicates Thistles and 2 is for the Hot-spurs.

SEPTEMBER

19—Vernon at Penticton
Kamloops at Kelowna 1 vs. Kelowna 2
26—Kelowna 1 at Vernon
Armstrong at Kelowna 2
Penticton at Kamloops.

OCTOBER

3—Kelowna 2 at Armstrong
Penticton at Kelowna 1
Vernon at Kamloops
10—Kelowna 2 at Vernon
Kamloops at Kelowna 1
Armstrong at Penticton.

NOVEMBER

17—Vernon at Armstrong
Kelowna 1 at Penticton
Penticton at Kelowna 2
24—Penticton at Vernon
Armstrong at Kamloops
Kelowna 1 vs. Kelowna 2.

31—Vernon at Kelowna 1
Kamloops at Penticton
Kelowna 2 at Armstrong.

7—Vernon at Kelowna 2
Kelowna 1 at Kamloops
Penticton at Armstrong.

14—Kamloops at Vernon
Kelowna 2 at Penticton
Armstrong at Kelowna 1

21—Armstrong at Vernon
Kelowna 2 at Kamloops.

Hunting season opens Wednesday

In exactly two days' time the 1956 hunting season will be under way. Next Wednesday, buck deer and grouse will be open.

Deer shooting, hereabouts, will be permitted, but the season on does will open at a later date, and in only a part of the riding of Similkameen.

One doe can be shot between November 24 and November 26, in the area in Similkameen, which is east of the Okanagan river. Shooting will be permitted in the whole of North and South Okanagan, and also in the Grand Forks-Greenwood area. But in the Similkameen no doe can be shot west of the river.

This year's regulations provide that two deer can be killed "one of which may be a doe in any area where hunting of female deer is permitted." Bucks remain open until November 30.

Grouse also open next Wednesday. The shooting is restricted to not more than six of any one species, or eight in the aggregate, on any one day, with a limit of thirty for the season that extends to the end of October.

Pheasants and ducks will open on October 18.

Vancouver Falcons take B.C. junior baseball title

Vancouver Falcons captured the British Columbia junior baseball title over the week-end by defeating Kelowna Chiefs two games straight in a best-of-three series in Elks Stadium.

Falcons won the first encounter, which was staged Saturday, 7-6 and the second game, played on Sunday, 7-1.

Kelowna scored the first run of Saturday's tilt when Richard Wickenheiser, after getting a two-base hit, reached home on an error by John Melkie.

Both clubs were held scoreless in the third frame.

Chiefs chalked up five runs in the fourth inning and held Vancouver down to a three-bagger. Culos, Ito, Wickenheiser, Russo and Duggan scored for Kelowna.

Wild and Stover made home plate for the coast nine in the seventh, while Kelowna went the inning without a run.

Vancouver made two runs in the eighth and one in the ninth to give them a one-game lead in the B.C. junior baseball finals.

Second game saw Falcons take a 2-0 first inning lead when Ashdown hit a home run, scoring Wild.

Wickenheiser scored Kelowna's only run of the game in the fourth inning.

Vancouver picked up three runs in the seventh frame and two in the eighth to clinch the provincial championship.

Fitchel was the winning pitcher in the first game, while Eyre was the losing chucker.

Bill Cousins pitched a smooth game for Vancouver in the second encounter, and Wickenheiser was on the mound for locals.

Johnny Culos was behind the plate both games for Kelowna, while Don Smythe caught for Falcons.

Rangers and Canucks play here Saturday

New York Rangers play an exhibition game against Vancouver Canucks of the Western Hockey League Saturday in Kelowna and District Memorial Arena.

With the Rangers will be Wally Hergeshelm, brother of last season Packer coach Phil Hergeshelm, now with Kamloops, and Andy Bathgate, brother of Bernie Bathgate, last season with Penticton V's and formerly with Kamloops Elks.

Coach of New York Rangers this season will be all-around athlete Murray "Muzz" Patrick, last season coach of Seattle Bombers of the WHL.

Local shuttle club annual parley Thurs.

Annual meeting of the Badminton Club will be held in the board room of B.C. Tree Fruits Thursday at 8:00 p.m.

All members are urged to attend and an invitation is also extended to those who are interested in joining the club to come and meet the members.

Local soccer team wins initial game

Kelowna Hotspurs yesterday won the first game of the newly formed Okanagan Soccer League by defeating Armstrong XI 4-3 in City Park.

Armstrong held a 2-0 lead going into the second half.

Kelowna's first goal was scored on a penalty kick by George Bowl.

With sixteen minutes to play Hotspurs' Patty Clarke whipped in three unanswered goals.

Game between Kelowna Thistles and Penticton which was slated for the southern city yesterday was cancelled because the Penticton squad was unable to obtain soccer boots.

Federal unemployment insurance benefit payments totalled \$73 million in 1951, \$114 million in 1952, \$152 million in 1953. For the first four months of 1954 the total was \$108 million.

The winners of the Growers' Supply Co. Ltd.

C.I.L. Paint contest were:

J. C. McLEOD, R.R. 1, Kelowna.

MRS. ANGUS, R.R. 1, Kelowna.

WALTER J. GOERZEN, 2764 Richter St., Kelowna.

We wish to congratulate the winners and

NEEDED
A mature, well-balanced person who is sympathetic and understanding by nature.

A college education is not necessary but the successful applicant must be sincerely anxious to help fellow humans with their problems, anxieties and in their relations with others.

For such a person, a satisfying and a highly profitable career is waiting. If a short course of home study is satisfactorily completed.

Then he or she can become a licensed Professional Consultant and will be given full assistance by the N.B.P.E. to establish a practice in B.C.

Full information from Box 2468 Kelowna Courier. Doctors, clergy, men, teachers and those with a developed social consciousness will find the above course of invaluable value as a reference library of practical psychology. 12-1c

NOTICES
Department of Public Works NOTICE TO CONTRACTORS Storage Shed for Vehicles, Kelowna, B.C.

SEALED TENDERS, endorsed "Tender for Storage Shed for Vehicles, Kelowna, B.C." will be received by the Minister of Public Works, Parliament Buildings, Victoria, B.C., up to 12 o'clock noon on Wednesday, the 6th day of October, 1954, and opened in public at that time and place.

Plans, specifications, and conditions of tender may be obtained on and after September 18th, 1954, from the Department of Public Works, Victoria, B.C., on deposit of the sum of ten dollars (\$10) for each set, which will be refunded upon return of plans, etc., in good condition within a period of one month of receipt of tenders, except in the case of the successful tenderer; where the plan deposit is not refundable. Plans and specifications will also be on view at the offices of Government Agents, Court Houses, Vancouver and Kelowna, B.C.

Each tender must be accompanied by an accepted bank cheque on a chartered bank of Canada, made payable to the Minister of Public Works, for the sum of One Thousand Dollars (\$1,000), which shall be forfeited if the party tendering declines to enter into the contract when called upon to do so.

Tenders must be made out on the forms supplied, signed with the actual signature of the tenderer, and enclosed in the envelope furnished.

No tender will be considered having any qualifying clauses whatsoever; and the lowest of any tender not necessarily accepted. E. S. JONES, Deputy Minister

Department of Public Works, Parliament Buildings, Victoria, B.C. 12-1c

The corporation of the District of Peachland "Town Planning Act"

"PUBLIC NOTICE"
PUBLIC NOTICE is hereby given that on Thursday evening, September 16th, 1954, at 8:00 p.m., in the Municipal Hall, Peachland, B.C., the Council will hold a PUBLIC HEARING to consider the following proposed amendment to Zoning Bylaw No. 247.

(Proposed amendment) "A. Section 3 is hereby amended by adding Lots 7 to 12 inclusive of District Lot 220, to ZONE "A". Business. (Auto Court Only).

B. Section 3, is hereby further amended by adding Lots 1 to 6 inclusive and 13 to 25 inclusive of D.L. 220, to ZONE "B". Residential."

A copy of this amendment, Cited "Municipality of Peachland Zoning Bylaw, 1947, Amending Bylaw 1954" may be inspected during the regular office hours at the Municipal Office, Peachland, B.C., between this date and time of the hearing.

Dated at Peachland, B.C., this 9th day of September, 1954. CHESEL R. HAKER, Municipal Clerk. 11-2c

C. P. ETON, Poundkeeper, 537 Stockwell Avenue, Phone 2100. Dated Sept. 13, 1954. Kelowna, B.C. 12-1c

IN CONSTANT DOLLARS Canada's gross national product was 34 percent higher in 1953 than in 1949; the increase in the U.S. in the same period amounted to 29 percent. 12-1c

Penticton V's open training camp Sept. 24

Penticton V's start their training camp September 24, at the Peach City Memorial Arena.

Following a week of solid training and getting into shape again, the Allan Cup champions play their first pre-season exhibition tilt in Penticton October 1, against New Westminster Royals of the Western Hockey League.

V's travel to New Westminster the following day to play a return game with the Royals.

The V's return to the Penticton camp October 4, when they take on Calgary Stampede, last season WHL champs.

The Governor-General receives an annual salary of \$48,087 a year, tax-free; in addition he receives an expense allowance of \$100,000 a year.

Local golfers regain trophy

Kelowna golfers regained the Johnston-Lefroy inter-club championship yesterday in Vernon in the return match of the annual competition by scoring 19 points to the northern golfers' 21.

Local golfers took the play with a total score of 61 1/2-34 1/2, out scoring Vernon 40 1/2-15 1/2 in the first round, which was played at the Kelowna Golf and Country Club in June.

The cup, last year won by Vernon, has been up for competition between the two clubs since 1948 and has been won by Orchard City golfers four times and by Vernon twice.

Kelowna Kiwanis club will again sponsor "Kid's Day" next Sat.

Kid's Day, sponsored by Kiwanis International, will be celebrated next Saturday in Kelowna and in hundreds of other communities throughout the United States, Canada, Alaska and Hawaii using the theme—"Build For Tomorrow."

By Greenway, president of the Kiwanis Club, said that although this is the sixth annual observance of Kid's Day it is the first year of sponsorship exclusively by Kiwanis International and its member clubs throughout North America. He further stated that work on this sixth annual celebration is well under way and it is expected that more clubs than ever before will participate in this annual activity for youth.

"Preliminary plans for local activity are now being formulated by the committee in charge," Mr. Greenway said. He named Frank Griffin as chairman and Stan Dugan, Glenn Phillips, Harold Wightman, C. B. "Chuck" Porter, as members of the committee under whose direction the activity will be carried out even though all members of the Kiwanis club will share in the project.

Mr. Greenway pointed out that youth work has been a major aim of Kiwanis International throughout the thirty-nine years of its existence. The Kid's Day program, one of Kiwanis' major activities for youth, focuses attention on this important work of the organization on one day, and permits each club to develop a local program best suited to its community while integrating it with the club's year-round program for youth.

Last year over 1,200,000 children were entertained on Kid's Day and Kiwanis clubs raised more than \$800,000 for their youth service work. Mr. Greenway stressed that these funds are retained in the communities where they are collected and used entirely in local youth projects. He referred to the Kiwanis club's Osprey Park, second iron lung, Christmas hamper, and welfare food lockers to show how Kiwanis uses locally collected funds to benefit the entire community.

Mr. Griffin chairman of the Kid's Day committee said further details will be announced in Thursday's paper. He urged all citizens to wholeheartedly support Kid's Day and join with other civic-minded residents of Kelowna in observing this day set aside especially for helping youth.

Guest speaker

Rev. W. J. MacDonald, general secretary of the Baptist Union of Western Canada, will be guest at a special service in First Baptist Church, next Friday at 8:00 p.m.

Rev. MacDonald, formerly home mission superintendent of the Baptist convention of Ontario and Quebec, is now serving Western Baptist with headquarters in Edmonton. He has a wide knowledge of Baptist work and will bring an inspiring address.

Rev. and Mrs. MacDonald were chosen last year to represent Baptists of Canada at the Coronation and they will show Kodachrome moving and still pictures taken during their visit to England.

Civic voters' list now being revised

City of Kelowna is in the process of revising the civic voters' list for the 1964 municipal election.

An important change in the act has been brought to the attention of the general public. It reads as follows:

"Any male or female of the full age of 21 years who has resided in the municipality for six months immediately preceding the making of the required declaration and who is the spouse or an owner of land or land and improvements in the municipality, is entitled to have his or her name entered on the annual list of voters provided he or she makes the declaration prescribed by the Municipal Elections Act."

Deadline for getting on the voters' list is October 31.

Okanagan will play vital role

(From Page 1, Col. 8)

During an emergency; wives and mothers would be required to assist if evacuee children were placed in barrack-type accommodation; education of children would have to continue; rehabilitation to be made as soon as possible.

Summerland Health problems were presented by A. M. Temple on Sunday.

Points covered included hospital facilities, staff, equipment, use of high school, cafeteria, screening by doctors, supplies and reinforcements.

It was stressed that the utmost co-operation of the public would be necessary and that definite orders concerning billeting, rationing and curfews would be required at once.

CD problems pertaining to Vernon and District were read by F. Barber.

The refugee influx, billeting, surveys, wardens, matters of health, and liaison with the welfare office were contained in the report.

"Danger of war is real, just as in the early months of 1914," O. L. Jones, M.P., told provincial civil defence delegates here Saturday.

Stressing that the danger is greater than realized by the general public, Mr. Jones also cautioned that "there was no good alarming them unduly."

Admitting that "the House is worried," the speaker paid tribute to those active in civil defence, stating that knowledge and preparedness was a marvellous thing and in excellent hands.

He deplored the apathy of the masses, also the fact that the province of Quebec is not under the scheme. Leadership and example, he said, would arouse interest.

"You've got to make them conscious of it," he concluded.

A civic banquet, chairmanned by Okanagan Valley Civil Defence co-ordinator Col. J. H. Horn, was held in the Royal Anne Hotel Saturday night, honoring convention delegates.

Maj.-Gen. C. R. Stein, Victoria, provincial co-ordinator, told the gathering that he had been "extraordinarily impressed" with what he had seen here. He also lauded the provincial government for its progressiveness in matters of civil defence.

Col. Horn stated that he had received the full support of the city council and other municipal bodies. Mayor J. J. Ladd extended an official welcome to the city and referred to the recent meeting of mayors in Windsor, Ontario, where CD preparedness was a major issue.

"The whole of Canada is now a target area," he cautioned. "We have got to take a hard new look. The threat is too great. It clearly, inevitably involves us all. We must plan realistically, intelligently, with a full sense of purpose."

"British Columbia and Alberta are the two best-prepared provinces in Canada," he stated proudly, "and the Okanagan Valley CD area also one of the best in the Dominion."

"Every doctor, nurse, lab technician, orderly, dentist, pharmacist and first aid attendant will have to serve in civil defence work should the H-bomb fall on the coast and evacuees pour into the Okanagan Valley," South Okanagan Health Unit head, Dr. David Clarke.

Number of acute hospital beds, 607; chronic, 160.

Such a calamity would be a challenge of the highest order to everyone, he said, entailing considerable priority preparation. Expansion to 2,500 hospital beds; severe restrictions to hospital admittance; establishment of blood donor clinics on a vast scale; carrying out of ten valley hospital disaster plans; utilization of school and other buildings; reserve food stocks; renovations and duplicate sets of surgical instruments. Figures given for total beds in four centres were: Kelowna, 100; Penticton 750; Vernon 600; Oliver 180.

"Co-operation and co-ordination at all levels" are absolutely essential in Provincial Civil Defence, Major-General C. R. Stein, Victoria, provincial co-ordinator, told Study Forum No. 3 convention members here Saturday.

"We are tackling something big," he said. "It will use every resource of each community; every man, woman, child and piece of equipment."

He reviewed how auxiliary police would fit in with the RCMP and the definite police jobs to be carried out by RCMP reserves. However, civil defence auxiliary police should forget all about being "reserves," he said, as certain specific jobs could only be carried out by the RCMP.

Service traffic, priority, fuel control—"should we freeze all gasoline pumps?"—unavoidable "jams" and many other factors to be faced by C.D. were briefly covered by Maj.-Gen. Stein.
